

# Bakehouse Cottage

Bakehouse is brilliant. The best cottage I've ever stayed in.

Mr S, Doncaster

This gorgeous Grade II listed cottage has great character combined with elegant furnishings. Enter through the front door and directly into a bright and airy modern kitchen that offers you everything you need for a comfortable self-catering break including a dishwasher, fridge freezer, washer/dryer and microwave.

Walk through to the adjoining dining room where you will find an original cast iron wood burning range as well as a large dining room table where you can relax and enjoy meal times together.

Nestled away down a spiral staircase you will find the spacious living room with big inviting sofas, a large flat screen television and a stereo system for those evenings when you just want a cosy night in.

The quirky steep and twisty stairs take you to the first floor where you will find a double bedroom, a twin bedroom and a bathroom with free-standing bath and toilet facilities as well as a superb separate wet room with power shower. The master double can be found on the top floor with a modern en-suite bathroom. With its stylish décor, comfortable beds and luxurious soft furnishings, you will no doubt fall in love with this characterful home.
