Unlike most accommodation in Whitby, Adventure House has the benefit of FOUR car parking spaces. A small garden with BBQ area is located across the road from the rear of the property and is accessed from the parking area. At the rear of the property is a fully enclosed yard.

The kitchen is modern and fully equipped to create your own seaside suppers or serve our famous, local fish and chips! The adjacent dining room has seating for 10 - ideal for those special occasions. A small separate utility room contains both a washing machine, tumble drier and a large fridge freezer. The comfortable, ground floor sitting room has seating for 6-8 people and contains a large, flat screen TV & a DVD player and has views over the pretty front garden.

As you climb the stairs the first thing you see is one of the stylish house bathrooms. It has a Victorian roll top bath and large walk in shower. This really is an ideal room to luxuriate in after a day on the beach or walking on the moors. The first floor bedrooms consist of one well proportioned, standard double and one superb, master suite containing a king size bed and an en-suite bathroom complete with a jacuzzi bath and over bath shower. The second floor has the benefit of a second sitting room with further, flat screen TV and DVD player. Seating 4-6 it could be used as a place for the kids or for a bit of peace to take in some holiday reading! A second, beautiful master suite is also located on this floor. With its own en-suite bathroom with overbath shower and ample wardrobe and drawer space, it provides the perfect place for a peaceful sleep.

Finally, we reach the top floor with two further bedrooms - a standard double and a twin - both of which are of a good size. The second house bathroom can also be found on this floor with an overbath shower facility.

Adventure House is just five minutes' walk from the town centre shops and restaurants. It has the benefit of free Wi-Fi and Sky Freeview TV and will also take up to two well behaved family pets. Please note, the entrance is located at the rear of the property and the steps up to the entrance are quite steep.
